

Transponder information

If you wish to buy a transponder please contact the suppliers listed below. Derby Phoenix MCC Ltd will no longer be supplying transponders for sale. A small number will be available for hire at race meetings.

Transponders Will Be Required For All Classes In 2007. Each Entry Will Require Transponder Details. No Machine Will Be Permitted To Race Without A Transponder. If No Transponder Signal Is Received The Rider Will Be Omitted From The Results.

When ordering your Transponder you need a TranX 260 Re-chargeable Type. This type will be compatible with all timing systems used in the UK by other Road Race Clubs.

For more information on this type of Transponder visit AMB's web site, AMB is the main supplier of the TranX 260 Transponder <http://www.amb-it.com/>
